We are a leading manufacturer, trader, and exporter of high-quality brass components, CNC-machined parts, and custom-engineered products. With precision manufacturing and strict quality control, we cater to diverse industries, delivering durable and reliable solutions worldwide. Our expertise lies in customized metal components, ensuring superior craftsmanship and competitive pricing.

Our Products Range

- BRASS FITTINGS
- BRASS CABLE GLANDS
- BRASS INSERTS
- BRASS PRECISION COMPONENTS
- EARTHING & LIGHTING COMPONENTS
- BRASS ELECTRICAL COMPONENTS
- POOL COVER HARDWARE
- BRASS FASTENERS
- BRASS NEUTRAL LINK & EARTH BAR
- BRASS ELECTRICAL PIN
- BRASS BUSH
- BRASS BALL VALVE
- SPLIT BOLT CONNECTOR
- ALUMINIUM ELECTRICAL ACCESSORIES
- BRASS GAS BURNER
- BRASS IMPELLER
- BRASS COMPRESSION FITTINGS
- BRASS PIPE FITTINGS
- BRASS SAE 45 FITTINGS
- BRASS JIC 37 FITTINGS
- BULKHEAD FITTINGS
- BRASS FUEL HOSE BARB
- BRASS HOSE BARB
- BRASS AIR BRAKE FITTINGS
- BRASS PUSH-ON HOSE BARB
- BRASS GARDEN HOSE BARB
- AIR BRAKE D.O.T. NYLON TUBE
- COMPRESSION FITTINGS - WC
- BRASS REUSABLE FITTINGS
- OTHER CUSTOMIZED PRODUCTS

Brass Fittings

Brass Split Bolt Connector

GAS Burner

Brass Cable Glands

Brass Fasteners

AIR Brake
DOT Nylon Tube

Brass Inserts

Brass
Ball Valve

Pool Cover Hardware

Brass Earthing & Lighting Components

Brass Bush

Brass Pipe Fittings

Brass Air Brake Fittings

Brass Impeller

Brass JIC 37 Fittings

Brass SAE 45 Fittings

Brass Garden Hose Barb

Bulkhead Fittings

Brass Fuel Hose Barb

Brass Hose Barb

Brass Reusable Fittings

Brass Electrical Components

Brass Electrical Pin

Brass Compression Fittings

Brass Neutral Link & Earth Bar

Precision Turning Components

Aluminum Electrical Accessories

Company Profile

We are a leading manufacturer, trader, and exporter of high-quality brass components, catering to diverse industries worldwide. With a commitment to precision, durability, and innovation, we deliver superior brass fittings, fasteners, and custom-made components. Our expertise, advanced manufacturing facilities, & customer centric approach make us a trusted partner for all your brass component needs.

Our state-of-the-art manufacturing facilities, stringent quality control measures, and customer-focused approach ensure reliability, durability, and superior performance in every product we deliver. Backed by a skilled team and global export capabilities, we continue to set industry benchmarks and build long-term partnerships worldwide.

Our expertise, cutting-edge technology, and customer focused approach ensure that we deliver precision engineered brass products that meet international standards. From custom designs to bulk production, we cater to diverse industries with efficiency and reliability.
